

HOLY CROSS PARISH CHURCH

WOODCHURCH, WIRRAL

Hi- I'm Christine Broad and I am the Rector of Woodchurch. That means I look after Holy Cross Church and serve the parish of Woodchurch with my team here at Holy Cross.

One of the best things about being Rector is that I am also a governor of Woodchurch C.E. Primary School, I visit school regularly to take part in lessons as well as for governor's meetings, and I am delighted to welcome Woodchurch C of E school into Holy Cross church for our monthly school led services on Thursday mornings.

Church and school have a long history of working together and we are keen to continue that great friendship, I am grateful to school for advertising our monthly Messy Church, craft songs and stories and tea for families once a month on Wednesdays in the church hall after school.

Do look out for "School Sundays" in the future when friends from the school community will be helping to lead the Sunday service in church. Everyone is always welcome at Holy Cross Church, our regular weekly services are on Sundays at 8am and 10am, and Wednesdays at 10am too and we look forward to seeing you soon. God bless you Revd Christine
