

22nd October 2021

END OF AUTUMN HALF TERM 1

UPDATE

Dear Parents and Carers

With the end of the half term upon us, I am writing to thank you for all your support over the last 7 weeks. It's been a big challenge for everyone after lockdown and the uncertainty around coronavirus. I have been extremely impressed with the way the children have continued to be focussed in their general behaviour and attitude to learning. It has not been easy to settle back into school with the backdrop of COVID and a host a seasonal viruses and bugs.

Our harvest service this last half term was in support of the Wirral Foodbank. As a result of your generous donations 189Kg of food was collected by the organisation to help those families in need. Thank you so much for the kindness you have shown and continue to show for these important causes

Parents Evening

We have a received positive feedback on how the meetings went using 'School-cloud', a system used in other schools across the Wirral. For parents who were either unable to set up appointment or attend those they booked on the system, staff will look at catching up after the break. We appreciate your support and feel sure when we use this in the future it will be more straightforward to use. If you do have problem, please contact the school office and someone will be able to help you.

School App and Emails

In terms of maintaining effective communication between school and home we ask that you can you make sure you keep checking the school app and emails as these have become the main link and system for information sharing with families. There will be occasions when letters are sent out in paper form, however our online systems are becoming a vital way to keep in touch with you.

Next half term

After the break we will send out a reminder of dates for rest of the term. These will include Christmas Productions which we have planned for the week beginning Monday 6th December 2021.

In the meantime, we wish you all a safe and happy half term break and look forward to seeing the children back in school on Monday 1st November.

With kind regards

B.McGregor
